Annual Report – 2020-2021

11th College Annual Report

Presented by – **Dr. P. Maniiarasan, Principal, NIET**

Good Afternoon to one and all present.....

It is a great pleasure..... to welcome..... Honorable....Chief Guest of the day.....
Dr. N. Kumar, Vice Chancellor–Tamil Nadu Agriculture University to our 11th Graduation Ceremony.....

Respected, Adv. Dr. P. Krishna Das, Chairman & Managing Trustee - NGI,.....
Dr. P. Krishna Kumar, CEO & Secretary - NGI.....Dean..... Directors.... Heads of the Department, Faculty Members..... Ladies and gentleman.

I am pleased to present..... the 11th Annual Report of Nehru Institute of Engineering and Technology.....

Our commitment towards the educational service..... providing opportunities to students was started more than a decade..... established by our Founder Chairman Shri. P. K. Das.... and now have moved forward in offering 8 UG Programmes and 3 PG Programmes.

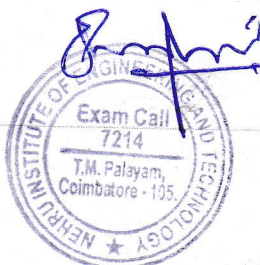

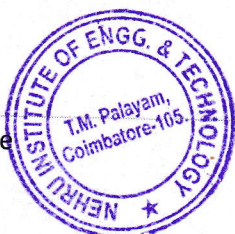

The academic year 2020-21, marked by key highlights allowed us to meet the goals outlined in our 2019-20 strategic plan.

Our institution is honored with 126th rank by India Today ranking 2021.

We have planned for NAAC second cycle accreditation and NBA Reassessment in this year focused in reaching the autonomous status in the near future.

With regard to grow international enrolment and recognizing our learners we have signed MOU with International Universities like University Sains Malaysia and Thisk University Iraq and with Various Industries like Global Nodes Engineering Solutions, Chennai, NoviTech R&D Pvt Ltd, YOI – Robotics, Jet Aerospace Aviation Research centre etc....

Apart from existing 6 centre of excellences the Department Mechatronics engineering has applied for AICTE Idea lab and also Department of Mechanical engineering has submitted a proposal for modernizing manufacturing lab (MODROB).

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

The College is experimenting with new approaches equipping students with recent technologies and learning opportunities: The Department of Computer Science and Engineering has initiated to conduct Virtual Lab an MHRD Initiative in collaboration with Amrita University from the academic year 2021- 2022.

For the academic year 2020-21, the total number of students who appeared for final semester examination is 453. Out of this, 448 students have passed. The department wise analysis is as follows:

S.No	Department	No. of students appeared	No. of students passed
1.	B.E (Aero)	102	102
2.	B.E (CSE)	47	47
3.	B.E (ECE)	60	59
4.	B.E (EEE)	35	35
5.	B.E (Mech)	82	80
6.	B.E (MCT)	70	70
7.	MBA	50	48
8.	M.E (Aero)	6	6
9.	M.E (Comm. Sys)	1	1

It is to our happiness that our students have shaped their career in companies like Infosys, BYJU'S, Hexaware, Accenture, Jaro Education, MasTecquadGen wireless LLP and Tata Consultancy Services with the highest package of Rs. 10 LAKHS per annum.

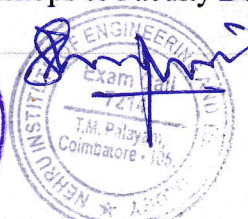

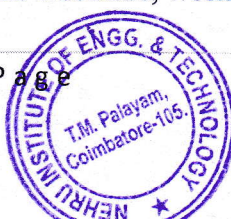

The student council was introduced with new office bearers and has actively involved in the conduct of major events and promotion activities during the academic year 2020-21.

As a part of Entrepreneurship Developmental Activities we do have conducted Entrepreneurship Development Program and Awareness camp for the students.

The students are being provided an opportunity to convert their project idea into innovations with Grain-in-aid of Rs. 2.5 Lakhs from Government of India. In the Academic year 2020-2021, 6 innovations have received the fund and successfully completed. At this moment I thank Dr.T.Jayaprakash, Coordinator/NewGen IEDC for his continuous and tireless efforts put forth in transforming our students as future entrepreneurs.

Further as a part of Nehru Group of Institutions Technological Business Incubator (NGI-TBI) , Four of our Faculty members and one Alumnus have started their startups funded by NGI TBI. I thank Dr.B.Vaikundaselvam, Director NGI –TBI for his continuous support.

To create insight on Industry Exposure the expertise are invited from various industries for the conduct of Webinars, Online workshops, Online Faculty Development Programme, and also the students were taken to various industries for Internships. So far we have conducted 460 +... online webinars, workshops & Faculty Development Programs during the covid'19 pandemic.

Dr. P. MANIARASAN
Principal

Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

Our Students from Aeronautical Department have been taken for their Internship of 15 days to M/S, The Creator Industries, Erode with all the precautionary measures of Covid'19. And also students from other departments have been given exposures in taking online internship programs in various industries.

The College Magazine 'VISTA' and NIET Newsletter have been released periodically.

With the enhancement in content management system the learning resources are launched to support students at all levels.

This year in Physical education department our girl students excelled and won second place in Inter collegiate Badminton tournament for women, organized & housed by Anna University, Sports Board – Chennai.

The NSS unit of the college is involved in the Covid'19 awareness programs and several other community related activities. Students of the Institute are participating very actively in several professional society branch activities of IEEE, CSI, SAE and various other student clubs that include Rotaract, Red Ribbon, Youth Red Cross, Nature Club, Yoga and Health Club, Photography Club, Cultural Club, APJ Vision 2020 club and these clubs has organized many events too. The student members of Rotaract club have won many awards too.

Our Institution organized Free Covid'19 Vaccination camps for Faculties and students.

As a social responsibility our institution have provided materials to the needy people during the covid '19 pandemic situation and conducted cycle rally for stressing the importance of Vaccination.

Our Faculties have won various awards, published more number of patents, research articles and given invited talks in the universities like Crescent University & University of Kurushetra.

Mr.S.Daison Stallon, Assistant Professor, EEE department have received "India Prime Author awards 2021", "Young Professor of the year 2021" presented by Dr.Sarvepalli Radhakrishnan International award of honor 2021.

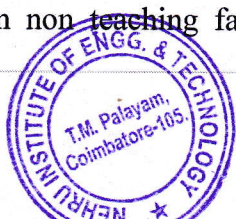

Dr.K.R.Senthil Kumar, Librarian has received "Nulaga Mamani award" from Tamil Nadu Librarians .Com and Best young Librarian award.

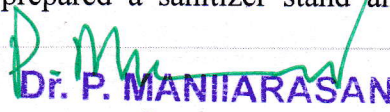

Department of Aeronautical Engineering and Mechanical Engineering have submitted project proposals to AICTE RPS, DST SERB, NSTEB, TNSCSR-SPS, CSIR etc , which is to be approved and processed.

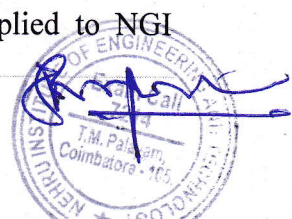

Department of Aeronautical Engineering have applied the fund for AICTE Faculty development program in the academic year 2020-21, received the fund of Rs.93,000 and conducted the event during the month of June 2021.

Department of Science & Humanities have initiated and prepared Sanitizer with WHO formulation and supplied for NGI institutions.

Our Institution non teaching faculties have prepared a sanitizer stand and supplied to NGI Institutions.

Dr. P. MANI ARASAN
Principal
Nehru Institute of Engg. & Technology
T.M. Palayam, Coimbatore - 641 105

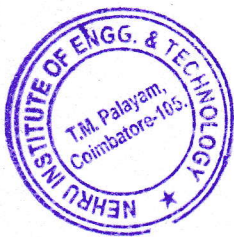

Create meaningful connections in our community and promote the value of shared learning. Expand and strengthen partnerships in our communities and contribute to our regional economic, social, and cultural development.

All this has become possible by the great support from the Management. I express my indebtedness to the management, all the Governing council members, our faculty, staff members and my dear students for their excellent cooperation and involvement in all the college level activities.

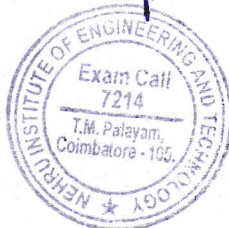

It has been an honour to be part of this journey again this year. I also look forward what we will achieve together as we embark on a new strategic direction, one that will continue to be student-centered and make Cambrian College a destination to learn and work.

I look forward to another year of working with an exceptional team of faculty and staff as we continue to build on the excellence of this institution.

Thanks to one and all. God bless you!

Annual Report – 2019-2020

10th College Annual Report

Presented by – Dr. P. Maniwaran, Principal, NIET

It is a great pleasure to welcome Honorable Chief Guest of the day Dr. V. Dillibabu, Director - National Design and Research Forum, a scientist with DRDO, Ministry of Defense, Govt. of India to our 10th Graduation Ceremony

Respected, Adv. Dr. P. Krishna Das, Chairman & Managing Trustee - NGI, Dr. P. Krishna Kumar, CEO & Secretary - NGI Dean, Director, Head of the Department, Faculty Members, Ladies and gentleman.

I am pleased to present, the 10th Annual Report of Nehru Institute of Engineering and Technology.

Our commitment towards educational service providing opportunities to students was started more than a decade established by our Founder Chairman Shri. P. K. Das.... and we now move forward offering 6 UG Programmes and 3 PG Programmes along with Ph.D.

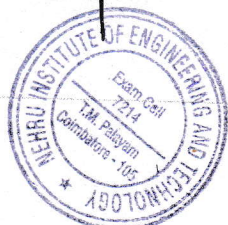

For the academic year 2020-21 we have planned to introduce 2 more new UG courses.

The academic year 2019-20, marked by key highlights allowed us to meet the goals outlined in our 2018-19 strategic Plan that the Department of Aeronautical Engineering, Computer Science and Engineering and Mechanical Engineering accredited by National Board of Accreditation, New Delhi. We have planned for NAAC Reassessment in this year to reach the autonomous status in the near future.

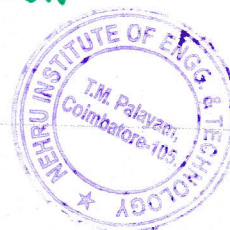

With regard to international growth and recognizing our stakeholders, we have signed MOU with: University Sains, Malaysia and Thisk University, Iraq in the year 2019. Apart from existing 6 centre of excellences Nehru Institute of Engineering and Technology has launched a new centre of excellence in association with Jet Aerospace Aviation Research Centre in the same year.

The launch of 9th Club –National Digital Library of India, New Delhi was on 8th January 2019
The College is experimenting with new approaches equipping students with recent technologies and learning opportunities: the Department of Computer Science and Engineering has inaugurated the IIT Bombay Remote Centre with the conduct of First Workshop on Python on 22nd June 2019.

For the academic year 2019-20, the total number of students who appeared for final semester examination is 384. Out of this, 376 students have passed. The department wise analysis is as

DR. P. MANIWARAN
Principal
Nehru Institute of Engg. & Technology
T.M. Palayam, Coimbatore - 641 105

follows:

S.No	Department	No. of students appeared	No. of students passed
1.	B.E (Aero)	87	84
2.	B.E (CSE)	44	44
3.	B.E (ECE)	61	59
4.	B.E (EEE)	37	35
5.	B.E (Mech)	86	85
6.	B.E (MCT)	53	53
7.	MBA	9	9
8.	M.E (Aero)	6	6
9.	M.E (Comm. Sys)	1	1

It is to our happiness that our students have shaped their career in companies like Virtusa Polaris, BESTEN Engineers, Kaay Labs, Object Frontier Services, IGT Solutions, Emerson automation and Tata Consultancy Services with the highest package of Rs. 3.6 LAKHS per annum.

The student council was introduced with new office bearers and has actively involved in the conduct of major events and promotion activities during the academic year 2019-20.

As a part of Entrepreneurship Developmental Activities we do have conducted two weeks Technology Based Entrepreneurship Development Program in the month of may 2019, at this moment I thank Dr. S. Prakash Director - Research and Head ED Cell for his continuous and tireless efforts put forth in transforming our students as future entrepreneurs.

Further as a part of Technological Business Incubator (TBI) NGI, the students are being provided an opportunity to convert their project idea into innovations with Grant-in-aid of Rs. 2.5 Lakhs from Government of India for each individual project.

To create insight on Industry Exposure the expertise are invited from various industries for the conduct of conference, seminars, guest lectures, workshops, also students are taken to various industry visits every now and then.

“Nehru International Journal of Engineering and Technology” a Quarterly Issued journal has released its 7th volume with 3 issues last year.

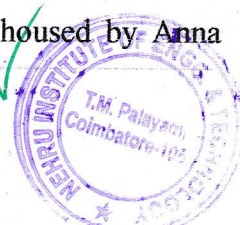

This year the NOBLE training centre strengthened, Headed by Dr. P.T. Vijayarajkumar, Director MBA and the training activities being conducted for our first year students along with the faculty members.

To create meaningful connections in our community and promote the value of engineering learning APJ 2020 Club has conducted activities in various schools in the districts of Kanyakumari, Kovilpatti, Thanjavur and Tirupur.

This year in physical education our students excelled, has organized events housed by Anna

Annual Report: 2018-2019

9th College Annual Report

Presented by – Dr. P. Maniarasan, Principal

It is a great pleasure to welcome Honorable Chief Guest of the day Dr. K. K. Aggarwal, Chairman, National Board of Accreditation, Government of India, New Delhi to our 9th Graduation Ceremony

Respected, Adv. Dr. P. Krishna Das, Chairman & Managing Trustee - NGI, Dr. P. Krishna Kumar, CEO & Secretary – NGI Dean Director Head of the Department, Faculty Members, Ladies and gentleman.

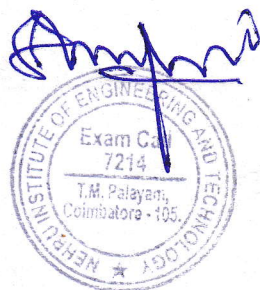

I am pleased to present the 9th Annual Report of Nehru Institute of Engineering and Technology highlighting some of the key achievements over the past academic year 2018-19, building a legacy of achievement that has proven to be another exceptional year for our Institution.

Our commitment towards educational service providing opportunities to students was started more than a decade established by our Founder Chairman Shri. P. K. Das and we now move forward offering 6 UG Programmes and 5 PG Programmes along with Ph.D.

The institution is Approved by AICTE - New Delhi Recognized by UGC with 2(f) and 12(B) Affiliated to Anna University – Chennai Accredited by NAAC and now awaiting results for being in the first cycle of National Board of Accreditation Process for the Departments
Aeronautical Engineering,
Computer Science and Engineering,
Electrical and Electronics Engineering and
Mechanical Engineering.

We are proud to reflect the good values providing a rewarding learning environment to our students and some of our significant accomplishments in the year 2018-19 include:

Obtaining of Permanent Affiliation from Anna University, Chennai for the Department of Aeronautical Engineering and Electrical and Electronics Engineering apart from Computer Science and Mechanical Engineering.

Dr. P. MANIARASAN
Principal

Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

The institution has signed MoU with major industries and has established Industry based training centres in association with

- Intel Fice Pvt. Ltd.
- Texas Instruments
- Sanko Gosei Inc. Japan
- Avatar Academy
- Jet Aerospace Aviation Research Centre
- ARK Info Solutions
- Ayushmaan Solar Enterprises

For the academic year 2018-19 the institution had 15 rank holders of Anna University, with 2 second ranks.

For the academic year 2018-19, the total number of students who appeared for final semester examination is 440. Out of this, 260 students have passed. The department wise analysis is as follows:

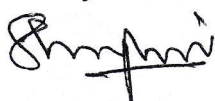

S.No	Department	No. of students appeared	No. of students passed
1.	B.E (Aero)	72	52
2.	B.E (CSE)	49	34
3.	B.E (ECE)	63	25
4.	B.E (EEE)	42	17
5.	B.E (Mech)	127	67
6.	B.E (MCT)	59	37
7.	MBA	8	8
8.	M.E (Aero)	7	7
9.	M.E (Comm. Sys)	12	12
10.	M.E (Emb. Sys)	1	1

The student council was introduced with new office bearers.

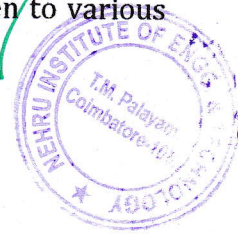

Our students have landed up in the best universities like university of Wollongong, Australia Hertfordshire, UK Furt Wangn University, German Old Dominion University, Virginia, USA.... etc., for their higher studies.

It is to our happiness that our students have shaped their career in companies like Air India, TCS, HCL, Wipro, Hexaware Technologies, Tech Mahindra, Amazon Development Centre India Pvt. Ltd., Byjus, etc., with the highest package of Rs. 9, 96, 000 per annum.

To create insight on Industry Exposure the expertise are invited from various industries for the conduct of conference, seminars, guest lectures, workshops, also students are taken to various industry visits every now and then.

Dr. P. MANI ARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 101

For international collaboration, MoU was signed with University Sains Malaysia and has planned for the conduct of international conference on advances in cyber security on 30th July 2019.

Our departments are excelling that last year dept. of S&H has received 4 seminar grants from CSIR for the conduct of seminars on

- Renewable and Sustainable Energy Inception and storage devices using Nanomaterials
- Novelty in Differential Calculus and its Engineering Applications
- Recent Advances in Crystal Growth for Nanophotonics and Non Linear Optics and
- Transmutation of Froth Water into De-froth Water using Solar Power

As a part of Entrepreneurship Developmental Activities we do have conducted six weeks Technology Based Entrepreneurship Development Program on Internet of Things.

Dr. S. Prakash, Director - Research and Head ED Cell has received an amount of 4.37 Crores from New Gen IEDC New Generation Innovation Entrepreneurship Development Centre, New Delhi. At this moment I thank Dr. S. Prakash Director - Research and Head ED Cell for his continuous and tireless efforts put forth in transforming our students as future entrepreneurs.

Further as a part of Technological Business Incubator (TBI) NGI, the students are being provided an opportunity to convert their project idea into innovations with Grain-in-aid of Rs. 2.5 Lakhs from Government of India.

"Nehru International Journal of Engineering and Technology" a Quarterly Issued journal has released its 6th volume with 4 issues last year.

The conduct of Yoga and Motivation Classes for I yr Students was initiated as a part of Academic Improvement Initiatives.

Our students Mr. Sreekanth. M. and team of Mechanical Engineering has won 2nd AICTE Chhatra Vishwakarma Awards'2018 for the Project "Rural Hybrid Vehicle".

Also, Mr. B. Gnanasiva of Mechatronics Engineering has received the fund of Rs. 7000/- from TNSCST for the Project Design and Fabrication of Smart Drainage System for Smart Cities in the same year.

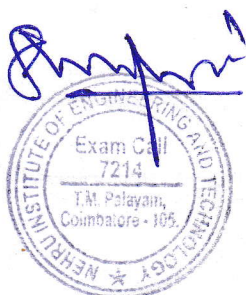

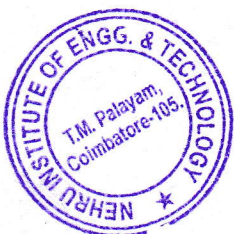

This year in physical education our students excelled, has organized events housed by Anna University, Sports Board - Chennai

Like Inter Collegiate Football (Men), Handball (Men) etc.

Our NIET Football Team has won almost all the matches participated in the year 2018-19.

Our NIET Athletics Team has won medals, our student P. Anandh of IV year Mechanical won Gold medal for 1500 M and 5000 M.

NIET P.K.Knowledge Fort has launched the 9th NATIONAL DIGITAL LIBRARY India Club in the same year on 08th January 2019.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

Innovative ideas like Hero's Corner, Valued Youth Program, Cross age peer monitoring program was introduced to motivate and deal with student's psychological issues was initiated by our counselor Mr. C. Hariharan. I thank him for the same.

Every year our Faculty and Students undergo NOBLE training to reinvent themselves by improving their confidence level to concentrate more on Academic Activities. This year our first year students along with faculty members has undergone the training session.

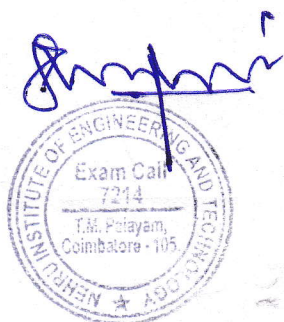

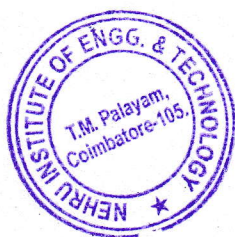

The NSS unit of the college is involving in the Blood donation camp and several other community related activities. Students of the Institute are participating very actively in several professional society branch activities of IEEE, CSI, SAE and various other student clubs that include Rotaract, Red Ribbon, Youth Red Cross, Nature Club, Yoga and Health Club, Photography Club, Cultural Club, APJ Vision 2020 club and these clubs has organized many events too.

With motto of Go Green Go Clean Campus the initiative on Floating Solar Photo Voltaic Cells in the Energy Park was inaugurated in the same year on 10th April 2019.

Also, the Bangalore Alumni chapter was started and the alumni meet was successfully organized on 9th December 2018.

All this has become possible by the great support from the Management. I express my indebtedness to the management, all the Governing council members, our faculty, staff members and my dear students for their excellent cooperation and involvement in all the college level activities.

I look forward to another year of working with an exceptional team of faculty and staff as we continue to build on the excellence of this institution.

8th College Annual Report

Annual Report

2017-2018

We have today the Annual Day of our college, with a great pride I want to share with you the success of our students and the experience in achieving them.

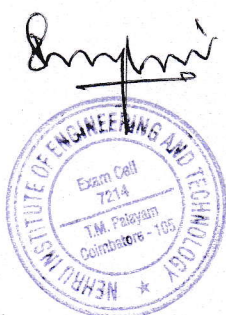

In this moment it's a great pleasure in presenting the 8th Annual Report of Nehru Institute of Engineering and Technology, documenting its Development and Achievements for the Academic Year 2017-18.

This Year is marked with many events and success stories. The Institution was started in the Year 2006 by our Founder Chairman Shri. P. K. Das, who was a great Educationalist. NIET is functioning beneath the supervision of Adv. Dr. P. Krishna Das, The Chairman & Managing Trustee and Dr. P. Krishna Kumar, CEO & Secretary.

The institution offers 6 UG Programmes and 5 PG Programmes along with Ph.D. Approved by AICTE - New Delhi and Affiliated to Anna University, Chennai.

For the academic year 2017-18, the total number of students who appeared for final semester examination is 517. Out of this, 377 students have passed. The department wise analysis is as follows:

S.No	Department	No. of students appeared	No. of students passed
1.	B.E (Aero)	99	70
2.	B.E (CSE)	40	31
3.	B.E (ECE)	62	30
4.	B.E (EEE)	28	14
5.	B.E (Mech)	131	95
6.	B.E (MCT)	80	66
7.	MBA	32	28
8.	M.E (Aero)	5	5
9.	M.E (Comm. Sys)	2	2
10.	M.E (Emb. Sys)	2	2
11.	MCA	36	34

The Institution has good student's strength and well equipped infrastructure and laboratories.

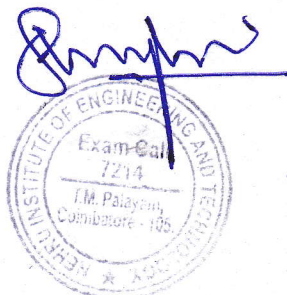

Placement- NCPIR provides training for acquiring Communication, Motivation, Leadership Skills and team building.

Our students were placed in companies like Quest Aerospace, Tech Machines, TCS, Wipac, Mphasis, HP, Eureka Forbes, etc., The NCPIR team deserves our appreciation. The Value Added Courses are conducted in all our Departments and have signed various MOU's with Top Companies for this purpose.

College organized several Institutional Social Responsible activities like "Helping orphans" by sales expo, awareness programs, rallies, exhibitions to get connected with rural mass. Ms. Dhivya. R of II CSE has won First Prize in Women's Role in Making India a Plastic Free Nation from the Indian Medical Association on 10th March, 2017 in regard to the International Women's Day Celebration held at IMA Hall, Coimbatore. NIJET's Journal, "Nehru International Journal of Engineering and Technology" is Quarterly Issued; last year four issues have been released.

The student council was introduced with the new office bearers for the year 2017 -18 and highlighted the role of student council with the management, principal and to the students' community. This year in physical education our students excelled. Organized Anna university zone 10 Badminton (Women) Inter collegiate Tournament from 12.08.17 to 13.08.17. Organized 4th NEHRU TROPHY South India Level Inter School Football Tournament from 24.10.17 to 27.10.17. APJ Vision 2020- The team has visited more than 100 schools in promoting the Vision of our Former President Dr. A. P. J. Abdul Kalam. And more than 3 lakh students have participated and got benefitted.

Thanks to one and all. God bless you!

(Approved by AICTE, New Delhi and Affiliated to Anna University, Chennai)

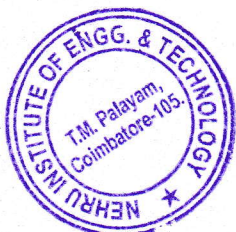

ANNUAL REPORT- 2016-2017

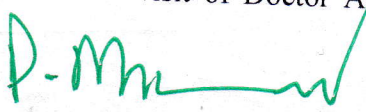

7th College Annual Report

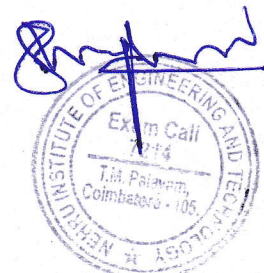

Presented by – Dr. P. Maniarasan, Principal

It's a privilege for me to share with you the success of our students and the experience in achieving them. In this moment it's a great pleasure in presenting the 7th Annual Report of Nehru Institute of Engineering and Technology, documenting its Development and Achievements for the Academic Year 2016-17. The Year is marked with many success stories.

- The Institution was started in the Year 2006 by our Founder Chairman Shri. P. K. Das, who was a great Educationalist.
- NIET is functioning beneath the supervision of Adv. Dr. P. Krishna Das, The Chairman & Managing Trustee and Dr. P. Krishna Kumar, CEO & Secretary.
- The institution offers 6 UG Programmes and 5 PG Programmes – 3 in Engineering along with MBA and MCA, Approved by AICTE -New Delhi and Affiliated to Anna University, Chennai.
- In the first cycle of NAAC Accreditation, Nehru Institute of Engineering and Technology was Accredited with B++ grade in the same year. It is the time that I want to thank each one of you all for the contribution provided in the various works till this time. It is the combined effort of the team that led to the ongoing success. I thank one and all.
- The Department of Aeronautical Engineering is the Approved Research Centre of Anna University.
- In the same year we have setup four Centre of Excellence in the area of Computer Science, Electronics, Electrical, and Mechatronics:
 - Intel Intelligent Systems Laboratory – Internet of Things
 - Texas Instruments Laboratory – Embedded System
 - Energy Park and
 - Robotics Laboratory
- We have signed MOU with Hospital and providing medical assistance to the needy students through health centre inside the campus with the visit of Doctor AlaghuRajeswari. Also, Free
