REPORT:

The vision and mission of the department and the PEOs of the program are defined by taking the views of various stakeholders associated with the Institute/Department, latest developments, future scope and needs of the society.

For this purpose, A Committee at Department level is constituted for identification, implementation and review of Vision and Mission of the department in consistency with the institute. Department Advisory Committee is formed with the consent from the Management to advise in various matters related to the vision and mission of the department and the PEOs of the Mechatronics Engineering UG Programme.

In departmental meetings, department Vision and Mission statements are reviewed specifically by considering the latest trends, industry demand etc.

The proposed Vision and Mission statements are also circulated to the Alumni, Employer, Faculty and Parents and their feedback is taken. After taking into consideration of the feedback received, the Department Advisory Committee prepared draft Vision and Mission statements which are discussed during the DAC Meeting.

DEPARTMENT OF COMPUTER SCIENCE AND BUSINESS SYSTEMS

Minutes of Meeting

The following points were discussed on 10.07.2023 during the meeting and the minutes were recorded as below,

Dr. Y. Sarojini, Professor & Head of the Department welcomed the committee members.

Ms. Priya B, Assistant Professor/CSBS read the Action taken report for the past year Department Advisory Committee report in the Present DAC Meeting.

Dr. Dr. J. Immanuel John Raja Professor & Head, Department of Computer Science and Engineering, Karunya University, Coimbatore shared the following comments

- Events have to be conducted for awareness about the Competitive Exams.
- Encourage student to participate in more technical events

Dr. K. Vanitha, Department of Computer Science Engineering, Faculty of Engineering, Karpagam Academy of Higher Education (Deemed to be University) Coimbatore, shared the following opinion,

- To fulfill the gap in the curriculum industry visits should be organized for faculties and students to bridge the gap.
- Faculty can apply for funds from several agencies for conducting seminar/FDP and research proposals for funds from various Govt/Non Govt agencies.
- More hands on training and workshops should be organized for making the students' field ready.

Mr. K. Santhosh Kumar, Manager - Corporate Relations, Accent Techno Soft (ATS), Coimbatore, Tamil Nadu shared his views by following,

- More Internships (duration of the intern period) have to be improved in order to improve the gap in curriculum.
- VAC in current technologies can be conducted for improving the quality of the students there by adhering to the needs of the industry.

Mr. C. S. Sreenivasulu and Mr. K. Vijayan, the parent member of DAC, suggested increasing the job opportunities in industries and improving their skills as per the company requirements for better placement.
