Name of the Event	73rd Republic Day Celebration.
Date Conducted	26.01.2022

REPORT

India marks January 26 as its Republic Day every year. In 2022, the country is celebrating its 73rd Republic Day. While India gained Independence from the British Raj in 1947, it wasn't until January 26, 1950, that the Indian Constitution came into effect, and India became a sovereign state, declaring it a republic. Dr. BR Ambedkar headed the Drafting Committee of the Constitution. Additionally, Constitution Day is celebrated in India on November 26 every year, as on November 26, 1949, the Constituent Assembly of India adopted the Constitution of India.

The day was celebrated in our university with great éclat. The university building was tastefully decorated with flowerpots and national flags. We were beside ourselves with joy. Loudspeakers were fitted. Everyone was feeling very patriotic and happy because it was a matter of great pride for all of us. After all, on this day the constitution of India came into force and our country became a republic.

On this day, our CEO & Secretary Dr. K. Krishnakumar sir hoists the flag in the NIET campus. The main attraction of Republic Day celebrations is singing a patriotic song, speech on freedom fighters, Veterans India Patriotic run by students as well as faculty members at Thirumalayampalayam village. Dr. Shankaran Sir speaks a few words about freedom fighters and corona warriors. These were followed by stirring speeches by the students, teachers, and some prominent citizens. In the end, the program was concluded by distributing sweets and snacks to all the students.
