FIRST MEETING
OF
THE ACADEMIC COUNCIL
15 NOVEMBER 2023

ANNOTATED AGENDA

Content

A. Opening

- 1.1 Call to Order and Approval of Agenda of the First meeting of the Academic Council.
- 1.2 To record the leave of absence of the members.

B. Items for Consideration

- 1.3 To consider the implementation of new UG regulation & curriculum for the Academic Year 2023-2024 after autonomous conferment.
- 1.4 To consider the implementation of new PG regulation & curriculum for the Academic Year 2023-2024 after autonomous conferment.
- 1.5 To consider the report of the Board of Studies.

C. Closing

- 1.6 Next Meeting Date
- 1.7 Adjournment

ANNOTATED AGENDA OF THE 1st MEETING OF THE ACADEMIC COUNCIL

A. Opening

- 1.1 Call to Order and Approval of Agenda of the First meeting of the Academic Council.

The agenda for the 1st meeting of the Academic Council is circulated to the members and the same is placed for the approval.

- 1.2 To record the leave of absence of the members.

B. Items for Consideration

- 1.3 To consider the implementation of new UG regulation & curriculum for the Academic Year 2023-2024 after autonomous conferment.

The Chair, places before the Academic Council to consider the implementation of new UG curriculum for the Academic Year 2023-24, due to the conferment of Autonomous from the UGC & University.

Dr.R.Deepa, Professor & Director IQAC, will move "that the considerations to defer the implementation of new UG curriculum for the Academic Year 2023-24", be considered.

- 1.4 To consider the implementation of new PG regulation & curriculum for the Academic Year 2023-2024 after autonomous conferment.

The Chair, places before the Academic Council to consider the implementation of new PG curriculum for the Academic Year 2023-24, due to the conferment of Autonomous from the UGC & University.

Dr.B.R.Senthil Kumar, Professor & Head /Aeronautical Engineering, will move "that the considerations to defer the implementation of new PG curriculum for the Academic Year 2023-24", be considered.

Dr.P.T.Viajayarajakumar, Professor & Director /MBA, will move "that the considerations to defer the implementation of new MBA curriculum for the Academic Year 2023-24", be considered.

1.5 To consider the report of the Board of Studies.

The Chair, places before the Academic Council to consider the report of the Board of Studies.

Summary Note:

The First Meeting of Board of Studies was conducted from 01.11.2023 to 04.11.2023 for the Departments of Aeronautical Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering, Computer Science and Engineering, Artificial Intelligence and Data Science, Computer Science and Business Systems, Mechanical Engineering, Mechatronics Engineering, Science and Humanities, Master of Business in the institution. All the members of board of studies were attended and discussed about the framing of new curriculum for all the respective departments. All the members gave their suggestions in framing the curriculum and syllabus.

All the Heads of the Department, will present the report of the Board of Studies held from 01.11.2023 to 04.11.2023.

All the Heads of the Department, will move the report of the Board of Studies held from 01.11.2023 to 04.11.2023, be approved.

C. Closing

1.6 Next Meeting Date

1.7 Adjournment

**NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY
(AUTONOMOUS)**

An ISO 9001:2015 & 14001:2015 Certified Institution, Affiliated to Anna University, Chennai
Approved by AICTE, New Delhi & Recognized by UGC with Section 2(f) & 12(B)
Re-Accredited by NAAC "A+", NBA Accredited UG Courses: AERO & CSE
Nehru Gardens, Thirumalayampalayam, Coimbatore – 641 105

**FIRST MEETING
OF
THE ACADEMIC COUNCIL**

November 15, 2023

MINUTES OF MEETING

It is recommended to consider the following aspects for further development of regulations & curriculum:

- All the Departments were advised to have overall credits between 163 Credits to 167 Credits.
- It was advised to frame a Common Standard Curricular Framework for all the departments.
- The overall score can be obtained on the basis of split score where **60% from End Semester Examinations and 40% from Continuous Internal Assessments**, wherein 30 marks can be taken from the three Continuous Internal Assessments and remaining 10 marks can be obtained from a sub score-split up of 5 marks (attendance) along with 5 marks (2 Assignments per subject – scaled down to 2.5 marks each or one Seminar or one Case Study for the complete 5-mark score).
- Following the **Course Committee Meeting, Department Advisory Committee** meeting and discussion with Heads, the **Course Coordinators** can finalize the split up of assigning Assignments or Seminar or Case study to the students.
- Mini Projects for Theory Courses may be given to students in groups, disregarding laboratory and integrated laboratory courses. Mini projects can be assigned for Content Beyond the curriculum topics as well.
- During the Induction Program, first-year students can work on Micro-Projects to develop basic engineering skills that will enable them to understand foundational concepts.
- According to NEP, few mandatory courses can be introduced with which students can develop mini-projects and the quality of these projects can be evaluated by encouraging the students to exhibit their work at conferences and publish it in various journals.
- It is advised to frame a Course outcome(COs) for each unit.
- **Employability Skill Enhancement Courses** can be offered in the Fifth semester; the **Mandatory Courses** can be offered from First Semester to fourth semester.
- It was advised to assign Mini Projects or Internships in the Fourth or Sixth semester, with evaluations to be carried out in the immediate odd semester.
- For Core Courses, field visits have to be incorporated. Student Internships for mini projects are advised to have a standard period according to the credit structure, wherein the Internship duration has to be Two weeks for one credit and One month for two credits.
- Students are encouraged to utilize their entire Eight Semester for the Industry projects, provided they have earned Eight Semester's Open Elective Credits before their Seventh Semester.
- Students can be encouraged to earn their extra credits by taking up NPTEL Courses which can be selected by the Department along with respective course coordinators.

1.5 To consider and approve the report of the Board of Studies.

1.5.1 B.E. Aeronautical Engineering

The Chair, placed before the Academic Council to consider the recommendations of the Board of Studies of Department of Aeronautical Engineering to be implemented with effect from the Academic Year 2023-2024..

Dr. B. R.Senthil Kumar, Professor & Head, Department of Aeronautical Engineering, presented the recommendations of the Board of Studies meeting conducted on 3rd November 2023.

Appendix D

Dr.B.R.Senthil Kumar, Professor & Head, Department of Aeronautical Engineering, presented the recommendations of the Board of Studies meeting conducted on 3rd November 2023, be approved

The motion is carried.

1.5.2 B.E. Computer Science and Engineering

The Chair, placed before the Academic Council to consider the recommendations of the Board of Studies of Department of Computer Science and Engineering to be implemented with effect from the Academic Year 2023-2024..

Dr. S. Subasree, Professor & Head, Department of Computer Science and Engineering, presented the recommendations of the Board of Studies meeting conducted on 2nd November 2023.

Appendix E

Dr. S. Subasree, Professor & Head, Department of Computer Science and Engineering, presented the recommendations of the Board of Studies meeting conducted on 2nd November 2023, be approved.

The motion is carried.

1.5.3 B.E. Electronics and Communication Engineering

The Chair, placed before the Academic Council to consider the recommendations of the Board of Studies of Department of Electronics and Communication Engineering to be implemented with effect from the Academic Year 2023-2024..

1.5.6 B.E. Mechatronics Engineering

The Chair, placed before the Academic Council to consider the recommendations of the Board of Studies of Department of Mechatronics Engineering to be implemented with effect from the Academic Year 2023-2024..

Dr. M. Maheswaran, Professor & Head, Department of Mechatronics Engineering, presented the recommendations of the Board of Studies meeting conducted on 3rd November 2023.

Appendix I

Dr. M. Maheswaran, Professor & Head, Department of Mechatronics Engineering, presented the recommendations of the Board of Studies meeting conducted on 3rd November 2023, be approved

The motion is carried.

1.5.7 B.Tech. Artificial Intelligence and Data Science

The Chair, placed before the Academic Council to consider the recommendations of the Board of Studies of Department of Artificial Intelligence and Data Science to be implemented with effect from the Academic Year 2023-2024..

Dr. V. T. Krishnaprasath, Associate Professor & Head, Department of Artificial Intelligence and Data Science, presented the recommendations of the Board of Studies meeting conducted on 3rd November 2023.

Appendix J

Dr. V. T. Krishnaprasath, Associate Professor & Head, Department of Artificial Intelligence and Data Science, presented the recommendations of the Board of Studies meeting conducted on 3rd November 2023, be approved

The motion is carried.

1.5.8 B.Tech. Computer Science and Business Systems

The Chair, placed before the Academic Council to consider the recommendations of the Board of Studies of Department of Computer Science and Business Systems to be implemented with effect from the Academic Year 2023-2024..

Dr.Y.Sarojini, Associate Professor & Head, Department of Computer Science and Business Systems, presented the recommendations of the Board of Studies meeting conducted on 3rd November 2023.

Appendix K

Dr. P. T. Viajayarajakumar, Professor & Director, Department of Management Studies, presented the recommendations of the Board of Studies meeting conducted on 2nd November 2023.

Appendix N

Dr. P. T. Viajayarajakumar, Professor & Director, Department of Management Studies, presented the recommendations of the Board of Studies meeting conducted on 2nd November 2023, be approved

The motion is carried.

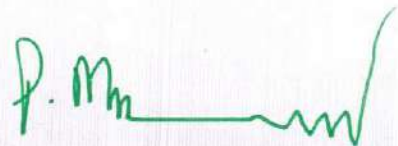

C. Closing

1.6 Next Meeting Schedule

Second Regular Academic Council Meeting is scheduled on Saturday, June 01, -2024.

1.7 Adjournment

The meeting Adjourned at 3.00 PM.

**SECOND MEETING
OF
THE ACADEMIC COUNCIL
APRIL 27, 2024**

MINUTES OF MEETING

**MINUTES OF MEETING
SECOND MEETING OF THE ACADEMIC COUNCIL**
Board Room, NIET

SATURDAY, APRIL 27, 2024 at 11.00 AM

A. Opening

2.1 Call to Order and Approval of Agenda of the Second meeting of the Academic Council.

The Chairperson called to order and placed the agenda for confirmation which was circulated to all Academic Council Members through e-mail.

The agenda for the 2nd meeting of the Academic Council is circulated to the Members and the same is placed for the approval.

The Council confirmed the agenda

2.2 Confirmation of the minutes of the 1st meeting of the Academic Council held on 15th September 2023.

The draft minutes of the 1st meeting of the Academic Council held on 15th September 2023 were circulated to the Members and the Members are requested to confirm the same.

The Council confirmed the same.

Appendix A

2.3 To review the action taken report on the minutes of 1st Academic Council meeting.

The Action taken report on the decision in respect of 1st Academic Council Meeting held on 15th September 2023 were discussed as follows in Table I.

Dr. N. K. Sakthivel, Professor & Dean Academics "moved the considerations to defer the implementation of First and Second Semester UG curriculum and syllabi for the Academic Year 2024-25", be adopted.

Appendix B

The motion was carried with amendment.

It is recommended to consider the following aspects for further development of regulations & curriculum:

- **It is advised to consider and change Regulations 2024 as Regulations 2023 (Revised).**
- In the First Semester, the members suggested to introduce **C programming Language** as an integrated subject.
- The members suggested to introduce **Biology for Engineers** for the students.
- 'Statistics' topic to be included for mathematics Bridge Course during Induction Programme of first year.
- Basic Civil and Mechanical Engineering: Syllabus topics should be relevant to the departments (AI&DS, CSE, CS&BS, IT and EEE)

The report was received and recorded.

2.7 To consider and approve the Curriculum Design Framework and Syllabi of all PG Degree Programmes under Regulations 2023.

The Chair, placed before the Academic Council to consider the Curriculum Design Framework and Syllabi of all PG Degree Programmes under Regulations 2023.

Dr. V. Jayaraj, Professor & Head of the Department, "moved the considerations to defer the implementation of Curriculum Design Framework and Syllabi of all PG Degree Programmes for the Academic Year 2024-25", be adopted.

Appendix C

Dr. P. T. Vijayarajakumar, Professor & Director of Management Studies "moved the considerations to defer the implementation of Curriculum Design Framework and Syllabi of MBA Degree Programme for the Academic Year 2024-25", be adopted.

Appendix D

The motion was carried.

It is recommended to consider the following aspects:

- **U23GE102 Problem Solving using C Course** can be converted as Integrated Course and L-T-P-C can be changed to 2-0-2-4 in Revised Regulation 2023 Semester I curriculum, so has to provide more hands on to the students in Programming Paper.
- Swap mathematics papers Semester III Discrete Mathematics and Semester IV Probability and Statistical Distribution as, in Semester III Probability and Statistical Distribution and in Semester IV Discrete Mathematics
- Emphasized the importance of Generative AI and advised to introduce this course in Semester V or Semester VI.
- Advised to introduce 5G technologies and Cloud Networking concepts in U24CS406 Computer Network.
- To focus more in hands on session need to be conducted for programming papers with DBMS exclusively dealt with Oracle and Operating System Paper exclusively dealt with Linux environment
- Specific exercises related to ARM Processor in U24CS317 can be included.

2.8.3 B.E. Electronics and Communication Engineering

The Chair, placed before the Academic Council to consider the recommendations of the **Board of Studies of Department of Electronics and Communication Engineering** to be implemented for the Academic Year 2024-2025.

Dr. V. Jayaraj, Professor & Head, Department of Electronics and Communication Engineering, presented the recommendations of the Board of Studies meeting conducted on 3rd April 2024.

Appendix G

Dr. V. Jayaraj, Professor & Head, Department of Electronics and Communication Engineering, presented the recommendations of the Board of Studies meeting conducted on 3rd April 2024, be approved.

The motion is carried.

It is recommended to consider the following aspects:

- Suggested to allot four contact hours in Electronic Circuits Lab.

Dr. M. Maheswaran, Professor & Head, Department of Mechatronics Engineering, presented the recommendations of the Board of Studies meeting conducted on 3rd April 2024.

Appendix J

Dr. M. Maheswaran, Professor & Head, Department of Mechatronics Engineering, presented the recommendations of the Board of Studies meeting conducted on 3rd April 2024, be approved.

The motion is carried.

2.8.7 B.Tech. Artificial Intelligence and Data Science

The Chair, placed before the Academic Council to consider the recommendations of the **Board of Studies of Department of Artificial Intelligence and Data Science** to be implemented for the Academic Year 2024-2025.

Dr. V. T. Krishnaprasath, Associate Professor & Head, Department of Artificial Intelligence and Data Science, presented the recommendations of the Board of Studies meeting conducted on 28th March 2024.

Appendix K

Dr. V. T. Krishnaprasath, Associate Professor & Head, Department of Artificial Intelligence and Data Science, presented the recommendations of the Board of Studies meeting conducted on 28th March 2024, be approved.

The motion is carried.

It is recommended to consider the following aspects:

- Suggested to move Artificial Intelligence-1 from semester 3 to semester-4.
- Suggested to move Foundations of Data Science and Analytics from semester-4 to semester-3.
- To introduce the concepts of Open source Operating System (Linux) rather than general Operating System.
- To introduce Oracle and other advanced concepts in the Database Design and Management.

2.8.8 B.Tech. Computer Science and Business Systems

The Chair, placed before the Academic Council to consider the recommendations of the **Board of Studies of Department of Computer Science and Business Systems** to be implemented for the Academic Year 2024-2025.

It is recommended to consider the following aspects:

- 'Statistics' topic to be included for mathematics bridge course during induction programme of first year.
- Discrete Mathematics (II semester), Probability and Statistical distributions (III semester) Papers in CSE, IT can be swapped.

2.8.11 Master of Business Administration

The Chair, placed before the Academic Council to consider the recommendations of the **Board of Studies of Department of Master of Management Studies** to be implemented for the Academic Year 2024-2025.

Dr. P. T. Viajayarajakumar, Professor & Director, Department of Management Studies, presented the recommendations of the Board of Studies meeting conducted on 6th April 2024.

Appendix O

Dr. P. T. Viajayarajakumar, Professor & Director, Department of Management Studies, presented the recommendations of the Board of Studies meeting conducted on 6th April 2024, be approved.

The motion is carried.

2.9 To consider and approve the Formation of School of Computing, School of Mechanical Sciences, School of Electrical Sciences, School of Basic Sciences, School of Management Studies.

The Chair, placed before the Academic Council to consider and approve the Formation of School of Computing, School of Mechanical Sciences, School of Electrical Sciences, School of Basic Sciences, School of Management Studies.

The Council approved the same.

2.10 To consider the change of Controller of Examination.

The Chair, placed before the Academic Council to consider the change of Controller of Examination.

The Council approved the same.
